What is human development? In 1990 the first Human Development Report introduced a new approach for advancing human wellbeing. Human development or the human development approach - is about expanding the richness of human life, rather than simply the richness of the economy in which human beings live. It is an approach that is focused on people and their opportunities and choices.

Human Development Report 2016 Human Development for Everyone

Human development has enriched human lives but unfortunately not all to the same extent, and even worse, not every life. It is thus not by chance but by choice that world leaders in 2015 committed to a development journey that leaves no one out a central premise of the 2030 Agenda. Mirroring that universal aspiration, it is timely that the 2016 Human Development Report is devoted to the
