The Winter Sea Amazon de Susanna Kearsley

In The Winter Sea, Susanna Kearsley mixes several genres utilizing a parallel storytelling that I happen to love. What does that mean? Well it means that the book is about a successful historical fiction novelist, Carrie McClelland, who decides to write her next novel using one of her ancestors as the persona for the novel. As she's writing the book, it is written in the book. Read: two entire books for the price of one.
